## **0/ Introduction**

Prysmian Group's application **eCatalogue with Store3G EMEA Elevator** is used by registered users for easy on-line product inquiry/ order.

The application can be found at the URL: <u>www.elevator-prysmian.eu</u>.

An unsigned user can search, filter, and view products in the app.

### For detailed product information or iquiry/order creation, please login.

# 1/ Home page

The home page includes **product search**, **alphabetical product filter**, and options to update the currently logged-in user. On the main page you will find:

- Order basket
- Language selection
- User profile editation
- Search box
- Alphabetically filter
- Segments signpost

evator

travelling cable

optical cable

Elevator ro

travelling cable

Filtering, searching or selecting a segment takes you to the product page. On this page there are 3 columns **Search**, **Filter by Characteristics** and **Products**. With the help of filtering and searching it is possible to refine the product selection. The Products column provides information about the products found.
